

# Solax Mobile Mobile Phone Holder Instructions

## Model: M-MPH01-14

### Package Contents:

- A. Mobile phone holder mount (1)
- B. Mobile phone holder (1)

### Step 1

Connect the mount (A) with the mobile phone holder (B) and lock into place.

### Step 2

Wrap the Cell phone holder mount around the upper (thinner) part of the tiller bar, and adjust the lock screw to secure the mount.

- \*Clockwise = tighten
- \*Counter-clockwise = loosen

### Adjusting

(a) To adjust the angle and position:  
Loosen the center piece and tighten when you reach desired position.

(b) To adjust mobile phone holder width:  
Press side button to make the holder wider.  
Manually push sides inward to make narrower.
